## Dear Friends

We don't have an open fireplace in our house, but I remember childhood winters, how we loved watching the flames in the fireplace burn, drinking cocoa and feeling snug and warm whatever the weather outside. The light was comforting amidst the long, dark nights, and the warmth made us feel safe and secure, whatever the weather outside.

'In the beginning was the Word,' says John at the start of his Gospel, and describes the Word as a light shining in the darkness, that the darkness cannot extinguish. Our two readings for Epiphany Sunday also speak of light: In Isaiah 60 we read: 'Arise, shine, for your light has come, and the glory of the Lord has risen upon you.' Many scholars think this part of Isaiah was written after God's people had returned from exile, and were beginning to rebuild their homeland, including the Temple in Jerusalem. After years of hardship in Babylon it was a new start from them, like dawn breaking after a long, cold night.

Matthew tells us how the Wise Men saw a great light, a star to guide them. They believed it was a sign of a new king being born, but needed help to find exactly where it was leading them. But when Herod apparently offered to help, they were warned not to lead him to the new King – there was a darkness in Herod, that wanted to extinguish that light, so they went home by a different route and avoided him.

Our world can seem dark and harsh at times. War rages in many places, and we see how many struggle to feed their families. At this time of year adverts and appeals remind us of this, and many of us will have given to Shelter or the Salvation Army to try to do a little to help. The darkness is real, but it cannot extinguish the light. The New Year, and the gradually lengthening days remind us of that light that cannot be overcome, and encourage us to look to the light and reflect it out to the world in our own acts of love and kindness. Like a small candle lit from a large one on the altar, we take our light from God, and can help make this New Year a time of hope, of new beginnings, of light for the World.

## Mission Focus for January: ReSkilled

Reskilled works with people who have been unemployed for at least 1 year (the average of participants is almost 7 years unemployed) to learn to make things out of wood, while also learning the general skills they will need to continue on to volunteering roles or paid employment. Most of the wood they use is recycled wood (so if you are getting rid of a table or other good wood, do contact them to see if they can use it). For further information see their website at [reskilled.org/](https://reskilled.org/) or contact [piers@reskilled.org](mailto:piers@reskilled.org).

**Andy and Linda Wells:** As Andy prepares for his ordination on 28<sup>th</sup> June at Guildford Cathedral, he will be embarking on a three-month placement at St Martin's, East Horsley. During this time, Andy and Linda will be worshipping at St Martin's; and we'll be welcoming them back on Easter Day. Please pray for Andy at this very significant time of his life. (Andy will continue his work as our Treasurer during this period).

**Deanery Synod** on Tuesday 13<sup>th</sup> January will be here at All Saints. We'll be serving coffee from 7pm for a 7.30pm meeting start. Inigo Churchill, Diocesan Director of Finance, will be leading a discussion about Parish Share. Anyone is welcome to attend this meeting.

**Queen Eleanor's Junior School** the governing body is now looking for new members and would value members from All Saints. As a Church of England school, input from practicing Christians is particularly valuable. If you have a couple of spare hours a week, please speak to Beverly.

**Coffee Team:** We are very short of members! We all enjoy coffee after the service, but we do need more people to keep this going. If you could offer just one Sunday a month to help, we'd be really grateful. Contact Eve if you can help.
